Cutting Guide:

Soft Sky Card Stock: 10.5cm x 29.7cm, 7cm x 14.8cm

Basic Black Card Stock: 7.4cm x 14.8cm, 7cm x 13cm

Instructions:

1. Score and fold the long piece of Soft Sky to form your card base.
2. Stamp the flower heads along the left hand side of your card base in Soft Sky ink.
3. Using the Flourish Thinlits in the Big Shot cut the large flower from the thinner piece of Basic Black cardstock. Use the die brush and foam mat to remove 'bits'.
4. Affix your flower to your Soft Sky panel approximately 1cm from top using the Fine tip glue.
5. Stamp Happy Birthday from Birthday Blossoms at the bottom of this panel.
6. Affix the flower panel to the Basic Black panel with fast fuse and tie ribbon around these two layers in a bow.
7. Adhere this panel to your card base approximately 5mm from right side of card allowing flowers on left to be seen.
8. Clean Stamps and Pack Away.
