Die Cutting & Scoring

- ▶ On smaller basic black piece cut out with largest nested label die
- ▶ On smaller Whisper White piece cut out with 2nd largest nested label die
- ▶ On your Golden Honey pieces score at 2.5cm (1") along one long short edge on both pieces and burnish with bone folder.

Card Construction

1. Stamp *Far Apart* sentiment on large whisper white piece in Memento Tuxedo Black Ink.
2. On your white Label diecut stamp the *Sweet Friend* and two flowers in Memento Tuxedo Black Ink. Colour flower heads with Stampin' Blends. Affix label to black label.
3. Take your two Golden Honey pieces. Folded piece should be at the base. Fold corners in to just above the score line to create your point. Repeat on other Golden Honey Piece. Ensure you have a nice point.
4. Affix the 2.5cm (1") section to the back of the white panel at top and bottom. Trim to neaten edges if need be and affix to black panel.
5. Fold points in and affix your Nested Label Piece to the top folded point piece with Dimesionals. Ensure you don't get any adhesive showing as it will stop your card from opening.
6. Embellish front with Gold Glitter Enamel Dots and inside with Gold Foil hearts
7. Card folds flat and will fit into a regular envelope for posting.
